NTA Scores are normalized scores across multi-session papers and are based on the relative performance of all those who appeared for the examination in one session. The marks obtained are converted into a scale ranging from 100 to 0 for each session of examinees.

The NTA Score of a Candidate has been calculated as follows:

$$\frac{100 \times \text{Number of candidates appeared in the 'Session' with raw score EQUAL TO OR LESS than the candidate}}{\text{Total number of the candidates appeared in the 'Session'}}$$

The NTA Score of the Total is **NOT** an aggregate or average of the NTA Score of an individual subject.

NTA score is not the same as the percentage of marks obtained.

The candidate's particulars including Category and Person with Disability (PwD) have been indicated as mentioned by the candidate in the online application form.

Due to the lockdown in Bahrain, the exam could not be conducted. NTA is in constant communication with Indian Embassy, Bahrain, and will work out a plan in the interest of candidates for the conduct of Paper 2 A (B.Arch.) and 2B (B.Planning). For Paper 1 (B.E./B.Tech), those candidates who have opted for March Session will appear in March along with other candidates.

After Feb, March, April, and May Session of JEE(Main)-2021 Exam, the ranks of the candidates will be released taking into consideration the best of the four NTA Scores in accordance with the policy already made available on the website <https://jeemain.nta.nic.in>

The candidates have the choice to appear in one, two, three, four examinations for admission.

The Examination was conducted completely in CBT mode.

In order to make the examination system transparent, the Question Paper and recorded responses were displayed on the website for verification by examinees.

To ensure accuracy and transparency of results, the keys of question papers were displayed in advance to invite challenges by the candidates.

In nationwide competitive examinations, live CCTV Surveillance was carried out for 52799 Cameras.

25557 Jammers were installed at the examination centres to prevent unfair practice by the candidates during the examination through mobile or any other electronic device.

The examinations were conducted with due COVID-19 precautions.

The results of Paper 2A and 2B (B. Arch/ B. Planning) will be released in next few days.
