## 7.0 Pre-bid Conference

7.1 A pre-bid conference shall be held with all prospective bidders as indicated in the relevant section of the tender document to clarify any doubts or concerns. The bidders must submit their queries in writing by the date indicated in the Important Events and Dates for this tender section clause 4.0 of Bid document part II of this document.

7.2 All clarifications/questions must reference the appropriate tender page and section number. Bidders must inquire in writing w.r.t. any ambiguity, conflict, discrepancy, exclusionary specification, omission or other error in this tender prior to submitting the proposal. If a Bidder fails to notify of any error, ambiguity, conflict, discrepancy, exclusionary specification or omission, the Bidder shall submit the proposal at its own risk and, if awarded the contract, shall have waived any claim that the tender and contract were ambiguous and shall not contest interpretation. If no error or ambiguity is reported by the deadline for submitting written questions, the bidder shall not be entitled to additional compensation, relief or time by reason of the error or its later correction. NTA may post answers to pre-queries on its website to all written questions received by the deadline for submitting written questions or reply to individual bidders at their discretion. NTA reserves the right to amend answers prior to the bid submission deadline. Corrigendum or addendum regarding this tender, if any, will be published on the website.

## **8 Bid Evaluation Process---Evaluation of Offers:**

This is a two packet tender. The first packet shall be techno-commercial and the second packet shall be financial. The bid evaluation process shall be as under:

8.1. NTA will examine commercial responsiveness for all the bids as first step. Bid should comply with mandatory commercial responsiveness requirements i.e. tender cost and earnest money (EMD). NTA will examine commercially responsive bids for compliance of Qualification/Eligibility criteria. In case any of the bids is either not commercially responsive or does not meet the qualification/eligibility criteria, it shall be summarily rejected.

8.2. Only the bids that are commercially responsive and meet the qualification/eligibility criteria shall be considered for technical evaluation. However, NTA also reserves the right to seek clarification pertaining to qualification criteria/technical evaluation at the stage of assessing compliance to qualification/eligibility criteria. This shall not tantamount to such bids being considered to be fulfilling the qualification/eligibility criteria.

8.3. As part of Technical evaluation, the documents sought vide relevant tender clause shall be inspected. If desired by NTA, Bidder may be required to do a presentation at NTA Noida on the solution offered which shall inter-alia include proposed system plan, skill-sets, support services, tie-up with OEMs, project implementation plan. The presentation is to be given as advised by NTA. The venue for presentation and POC will be at NTA Office at Noida or as advised.

7. All Payment shall be subject to deduction of applicable TDS.
8. No interest will be paid to the successful bidder on the security deposit.

## **10. Appointment of Successful Bidder:**

### **10.1 Award Criteria:**

NTA will award the Contract to the successful bidder(s) as per the process indicated in clause 8.0 above.

### **10.2 Notification of Award:**

Prior to the expiration of the validity period, NTA will notify the successful bidder in writing or by fax or email, that its proposal has been accepted. In case the tendering process / public procurement process has not been completed within the stipulated period, NTA may request the bidders to extend the validity period of the bid.

The notification of award will constitute the formation of the contract and shall be binding on both the parties. Upon the selected successful bidder's furnishing of Performance Bank Guarantee, NTA will notify each unsuccessful bidder and return their EMD. The EMD of successful bidder shall be returned only after furnishing of Performance Bank Guarantee and signing of Contract.

### **10.3 Performance Guarantee:**

NTA will require the successful bidder to provide an irrevocable, unconditional Performance Bank Guarantee within 15 days from signing of the agreement post Notification of award, for a value equivalent to 10% of the total cost (inclusive of tax). The Performance Guarantee should be valid for a period of 12 months. The Performance Guarantee shall be kept valid till completion of the project and Warranty period. The Performance Guarantee shall contain a claim period of three months from the last date of validity. The successful bidder shall be responsible for extending the validity date and claim period of the Performance Guarantee as and when it is due on account of non-completion of the project and Warranty period. In case the successful bidder fails to submit performance guarantee within the time stipulated, NTA at its discretion may cancel the order placed on the successful bidder without giving any notice. NTA shall invoke the performance guarantee in case the successful Vendor fails to discharge their contractual obligations during the period or NTA incurs any loss due to Vendors negligence in carrying out the project implementation as per the agreed terms & conditions.

### **10.4 Signing of Contract:**

After NTA notifies the successful bidder that its proposal has been accepted, NTA shall enter into a contract, incorporating all clauses, pre-bid clarifications and the proposal of the successful bidder between NTA and the successful bidder with mutually agreed terms and conditions.

### **10.5 Time Frame:**

The selected bidder should be ready to provide their services within 15 days of signing of the contract with NTA and on receipt of work order for a specific exam. The work is to be accomplished on the day(s)

**Instructions for Online Bid Submission:**

The bidders are required to submit soft copies of their bids electronically on the CPP Portal, using valid Digital Signature Certificates. The instructions given below are meant to assist the bidders in registering on the CPP Portal, prepare their bids in accordance with the requirements and submitting their bids online on the CPP Portal.

More information useful for submitting online bids on the CPP Portal may be obtained at: <https://eprocure.gov.in/eprocure/app>.

**REGISTRATION**

- 1) Bidders are required to enroll on the e-Procurement module of the Central Public Procurement Portal (URL: <https://eprocure.gov.in/eprocure/app>) by clicking on the link “**Online bidder Enrollment**” on the CPP Portal which is free of charge.
- 2) As part of the enrolment process, the bidders will be required to choose a unique username and assign a password for their accounts.
- 3) Bidders are advised to register their valid email address and mobile numbers as part of the registration process. These would be used for any communication from the CPP Portal.
- 4) Upon enrolment, the bidders will be required to register their valid Digital Signature Certificate (Class II or Class III Certificates with signing key usage) issued by any Certifying Authority recognized by CCA India (e.g. Sify / nCode / eMudhra etc.), with their profile.
- 5) Only one valid DSC should be registered by a bidder. Please note that the bidders are responsible to ensure that they do not lend their DSC’s to others which may lead to misuse.
- 6) Bidder then logs in to the site through the secured log-in by entering their user ID / password and the password of the DSC / e-Token.

**SEARCHING FOR TENDER DOCUMENTS**

- 1) There are various search options built in the CPP Portal, to facilitate bidders to search active tenders by several parameters. These parameters could include Tender ID, Organization Name, Location, Date, Value, etc. There is also an option of advanced search for tenders, wherein the bidders may combine a number of search parameters such as Organization Name, Form of Contract, Location, Date, Other keywords etc. to search for a tender published on the CPP Portal.
- 2) Once the bidders have selected the tenders they are interested in, they may download the required documents / tender schedules. These tenders can be moved to the respective ‘My Tenders’ folder. This would enable the CPP Portal to intimate the bidders through SMS / e-mail in case there is any corrigendum issued to the tender document.
- 3) The bidder should make a note of the unique Tender ID assigned to each tender, in case they want to obtain any clarification / help from the Helpdesk.

**PREPARATION OF BIDS**

- 1) Bidder should take into account any corrigendum published on the tender document before submitting their bids.
- 2) Please go through the tender advertisement and the tender document carefully to understand the documents required to be submitted as part of the bid. Please note the number of covers in which the bid documents have to be submitted, the number of documents - including the names and content of each of the document that need to be submitted. Any deviations from these may lead to rejection of the bid.
- 3) Bidder, in advance, should get ready the bid documents to be submitted as indicated in the tender document / schedule and generally, they can be in PDF / XLS / RAR / DWF/JPG

formats. Bid documents may be scanned with 100 dpi with black and white option which helps in reducing size of the scanned document.

- 4) To avoid the time and effort required in uploading the same set of standard documents which are required to be submitted as a part of every bid, a provision of uploading such standard documents (e.g. PAN card copy, annual reports, auditor certificates etc.) has been provided to the bidders. Bidders can use “My Space” or ‘Other Important Documents’ area available to them to upload such documents. These documents may be directly submitted from the “My Space” area while submitting a bid, and need not be uploaded again and again. This will lead to a reduction in the time required for bid submission process.

#### **SUBMISSION OF BIDS**

- 1) Bidder should log into the site well in advance for bid submission so that they can upload the bid in time i.e. on or before the bid submission time. Bidder will be responsible for any delay due to other issues.
- 2) The bidder has to digitally sign and upload the required bid documents one by one as indicated in the tender document.
- 3) Bidder has to select the payment option as “offline” to pay the tender fee / EMD as applicable and enter details of the instrument.
- 4) Bidder should prepare the EMD as per the instructions specified in the tender document. The original should be posted/couriered/given in person to the concerned official, latest by the last date of bid submission or as specified in the tender documents. The details of the DD/any other accepted instrument, physically sent, should tally with the details available in the scanned copy and the data entered during bid submission time. Otherwise the uploaded bid will be rejected.
- 5) Bidders are requested to note that they should necessarily submit their financial bids in the format provided and no other format is acceptable. If the price bid has been given as a standard BoQ format with the tender document, then the same is to be downloaded and to be filled by all the bidders. Bidders are required to download the BoQ file, open it and complete the white coloured (unprotected) cells with their respective financial quotes and other details (such as name of the bidder). No other cells should be changed. Once the details have been completed, the bidder should save it and submit it online, without changing the filename. If the BoQ file is found to be modified by the bidder, the bid will be rejected.
- 6) The server time (which is displayed on the bidders’ dashboard) will be considered as the standard time for referencing the deadlines for submission of the bids by the bidders, opening of bids etc. The bidders should follow this time during bid submission.
- 7) All the documents being submitted by the bidders would be encrypted using PKI encryption techniques to ensure the secrecy of the data. The data entered cannot be viewed by unauthorized persons until the time of bid opening. The confidentiality of the bids is maintained using the secured Socket Layer 128 bit encryption technology. Data storage encryption of sensitive fields is done. Any bid document that is uploaded to the server is subjected to symmetric encryption using a system generated symmetric key. Further this key is subjected to asymmetric encryption using buyers/bid opener’s public keys. Overall, the uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 8) The uploaded tender documents become readable only after the tender opening by the authorized bid openers.
- 9) Upon the successful and timely submission of bids (ie after Clicking “Freeze Bid Submission” in the portal), the portal will give a successful bid submission message & a bid summary will

be displayed with the bid no. and the date & time of submission of the bid with all other relevant details.

- 10) The bid summary has to be printed and kept as an acknowledgement of the submission of the bid. This acknowledgement may be used as an entry pass for any bid opening meetings.
